Exciting Employment Opportunities in the Pacific

TRAINERS

The APTC is an Australian Government Aid Program, established to deliver a range of Australian standard skills and qualifications to Pacific Islanders. Campuses are located in Fiji, Papua New Guinea, Samoa and Vanuatu. APTC has been in operation since July 2007. For more information visit www.aptc.edu.au

APTC is seeking applications from suitably qualified trainers to join the team in Port Moresby, Papua New Guinea:

- **Trainer Certificate III in Automotive Mechanics**
- **Trainer Certificate III in Fitting and Machining**

These positions are for 12 months with the possibility for negotiation up to a three year term. Closing date for these positions is 13 July 2012.

APTC is also seeking Expressions of Interest for future vacancies that may become available in the following trade areas in Papua New Guinea:

- **Trainer Certificate III in HV Diesel Mechanic**
- **Trainer Certificate III in Carpentry**
- **Trainer Certificate III in Electrical**
- **Trainer Certificate III in Metal Fabrication (Boilermaking)**

Remuneration will be in line with the AusAID Adviser Remuneration Framework including daily allowances whilst in country. Accommodation will be provided on site at APTC or an allowance provided. There is also an opportunity to apply to the ATO for tax exemption if you are an Australian resident.

**Further information regarding the position and package is available on line.**

Please apply online at www.jobs.qld.gov.au The Job ad reference is QLD/CO10699/11.
