Exciting Employment Opportunities in Papua New Guinea

VOCCATIONAL TRAINERS

- Are you a qualified trainer with minimum 5 years experience working in vocational education and training?
- Do you have a vocational qualification, at least to the delivery level stated in one of the areas listed below?
- Do you have relevant experience in the field and up to date knowledge of your industry?
- Are you interested in working in the Pacific as part of a team that makes a real difference to people's lives?

A position with the Australia-Pacific Technical College could be just what you're looking for.

APTC is an Australian Government funded initiative that delivers a range of qualifications from Certificate III to Diploma for Pacific Islanders. For over 5 years, APTC has been providing vocational training and Australian qualifications in the Pacific with campuses in Fiji, PNG, Samoa, Solomon Islands and Vanuatu. Visit our website for more information - www.aptc.edu.au

The APTC School of Trades and Technology is seeking applications from suitability qualified trainers in the following trade areas to work in Papua New Guinea (PNG):

- Certificate III in Automotive Mechanical (Light Vehicle)
- Certificate III in Engineering – Mechanical (Diesel Fitting)
- Certificate III in Engineering – Mechanical (Fitting and Machining)

Attractive package $142K per annum* pro rata PLUS up to 6 return economy airfares to/from Australia PLUS provision of accommodation. Australian citizens may also be eligible for tax exemption under Australian taxation law under 23AG, in addition to being exempt in the host country.

* $105,347pa inclusive of superannuation and annual leave loading plus $37,044 in overseas living allowances. See full terms and conditions for details.

Contract durations can be flexible from 4 months to 2 years depending on approved training delivery schedules. Several APTC trainers have taken leave without pay (LWOP) from their current institution to fulfil a position with APTC.
