Holmesglen Institute

What is Holmesglen Institute?

Holmesglen is one of the largest providers of vocational and higher education in Victoria. Since 1982, Holmesglen has grown from a delivery of 90 programs to 7,000 students, to a unique multi sectoral provider offering over 600 programs to more than 50,000 students. Holmesglen delivers internationally and nationally across four major campuses: Chadstone, City, Moorabbin and Waverley.

Holmesglen invests to ensure that students have access to the best possible education and training facilities available.

Our programs are highly regarded within industry and include:

- degree and graduate certificate courses
- apprenticeships and pre-apprenticeships in engineering, hospitality, horticulture, furnishing and building and construction trades
- over 200 nationally endorsed certificates, diplomas and advanced diplomas
- pathways to Holmesglen degrees or other higher education streams
- adult short courses
- bridging and preparatory courses and adult VCE
- language programs
- trade accreditation and testing
- corporate and industry programs.

Study can be undertaken at Holmesglen within the following areas:

- Arts & Design
- Building & Construction
- Business & Finance
- Community & Health Sciences
- Education & Languages
- Electrical & Information Technology
- Fitness & Wellbeing
- Furnishing & Decoration
- Horticulture & Environment
- Hospitality & Tourism

Students can also benefit from flexible delivery with many courses offered part time, full time, online, weekend, evening and off campus.
What are Holmesglen’s international projects?

Holmesglen has a strong international profile with an extensive global reach built up from over twenty years experience in the Asia-Pacific, Gulf States and Middle East regions. Our international activities range from working with industry and government clients and aid agencies to build capacity of institutions, systems and human resources in the private and public sectors to collaborative partnerships with educational institutions in the delivery of award programs.

On an international scale, key industry sectors to date include:

- Building, construction and design
- Business and finance
- Technical and vocational education
- International games
- Hospitality
- Development projects – capacity building in vocational and tertiary education for industry, government and aid agencies

The Institute has well established international project management systems which include:

- Highly experienced project managers and administrative support personnel
- A resource and learning materials production centre to support project delivery
- Contemporary and robust financial management and communication systems
- Education and management quality assurance frameworks.

The Institute is committed to providing a high level of service to its clients and the follow through to ensure project and/or education and training objectives are met.
