Kimberley Training Institute

Kimberley Training Institute is comprised of 6 campuses across a diverse geographic spanse of some 420,000 kilometres; located in the towns of Broome, Kununurra, Derby, Fitzroy Crossing, Halls Creek and Wyndham. Kimberley Training Institute boasts two centres of excellence; Broome Aquaculture Centre and the Broome Maritime Simulator.

An integral member of the Training WA network, Kimberley Training Institute is located in the North West region of Western Australia and provides vocational education and training programs locally, nationally and internationally to meet the demands of industry, remote communities, schools, individuals and the larger populated centres of Broome, Derby, Fitzroy Crossing, Halls Creek, Kununurra and Wyndham.

Delivering training across a region twice as large as the state of Victoria; can be a challenge at times but through our commitment to excellence, talented lecturers and a practical approach we do this very successfully. Our vast experience has taught us that accessibility and flexibility is the key to our success. We are well known for our flexible, accessible training. Did you know that over 4,000 students come to us each year to learn their trade or vocation and study with lecturers that are experts in their fields?

At Kimberley Training Institute you'll receive more than knowledge: you'll get the practical skills needed for your career. Kimberley Training Institute delivers about 120 different training qualifications, from Certificate I to Diploma, through nine key academic areas:

- Community Services
- Business/IT/OSH
- Trades
- Agribusiness – Land
- Agribusiness – Sea
- Hospitality & Tourism
- Creative and Cultural Art
- Access and Participation
- Training and Assessment

Our vision:
Kimberley Training Institute operates in one of the most unique and challenging environments and in one of the world's last great wilderness locations. Kimberley Training Institute will lead the region in the delivery of innovative vocational education and training programs and services that are flexible, relevant and innovative. This training will be receptive to the focus of the community and relevant to the needs of industry.

Our mission:
To provide access to lifelong, flexible, high quality learning pathways for individuals, industry and communities through education and training. At Kimberley Training Institute we provide our programs and services from a foundation of shared values.

Our values:
Success through:
- Professionalism
- Integrity
- Respect
- Innovation
- Teamwork.
