International Student Award

Since her arrival in Australia from Japan, Megumi has not only mastered the English language at the TAFE English Language Centre at Crows Nest College but has completed the Certificate 4 in Tourism, the Diploma of Tourism and the Advanced Diploma of Tourism at Northern Beaches College. While Megumi was completing the Advanced Diploma, she commenced work with a major Japanese inbound tourist company volunteering at a number of special events. This work experience, combined with her fluent skills in English and hands-on training with TAFE NSW, has enabled this seasoned traveller to move into her tourism career as a confident professional. Megumi is currently employed at a large Australian tourism organisation and is a tour guide in Uluru, Northern Territory. She has a passion to remain in the tourism industry and would like one day to travel and work around the world.
