The Transport and Logistics Industry Skills Council (TLISC) invites TAFEs who use TLISC Training Packages to nominate a representative for a TAFE advisory committee. This committee will provide TLISC with:

- input and advice on Training Package implementation
- feedback on resources to support Training Package implementation
- intelligence on issues and opportunities to improve quality of training outcomes

Members will be selected based on skills and experience, and the group will aim to represent a balance of interests across the Transport and Logistics sectors.

The committee will comprise individuals who are actively engaged in the industry areas reflected across the sectors covered by our Training Packages:

- Transport and Logistics
- Rail
- Aviation
- Maritime

Participation will be limited to one representative per TAFE.

The first meeting of this committee is planned for 17th November 2014 in Melbourne, with teleconference facilities available.

Please provide your details and the reasons you believe you would make a suitable TAFE advisory committee member by completing the information below.

Name:
Organisation and position:
Email:
Phone number:

I am involved in delivery of the following training packages:
- [ ] Transport and Logistics
- [ ] Transport and Logistics - Rail
- [ ] Aviation
