Executive Director
National Scholarships Foundation

» Lead and grow a National Foundation
» Identify and develop philanthropic opportunities
» Assist students to achieve employment goals

In 2013 TAFE Directors Australia (TDA) established the National Scholarships Foundation. The Foundation provides equity scholarships, known as Mick Young Scholarships, and in 2014 will introduce National Merit Scholarships in partnership with the nation’s public TAFE Institutes and industry. The purpose of Mick Young Scholarships is to assist students experiencing financial hardship to achieve employment related qualifications through TAFE study. National Merit Scholarships will recognise outstanding achievement in vocations that are vital to industry and communities. Both sets of scholarships will be available to prospective and existing TAFE students across Australia.

TDA is seeking to appoint a dynamic, creative and motivated person to build the Foundation and increase its reach across Australia.

The purpose of the role initially is to build relationships with key partners, donors and sponsors, to increase the fund and expand the scholarship program. The Executive Director is accountable to the TDA CEO and responsible to the Board for achieving agreed objectives and targets, including the development and implementation of effective marketing and event strategies, the support of relationships with the nation’s public TAFE Institutes and managing the scholarships program. The role is also responsible for supporting the Board, the Advisory Council, and controlling the Foundation’s operations.

To obtain a copy of the information booklet or to apply, visit our website www.sladepartners.com.au quoting Ref No: 200074516. For further information and a confidential discussion, please contact Andrew Worner on (03) 9235 5145.

Applications close: Monday 3 March 2014.
