Tasmanian Polytechnic

At the Polytechnic, we focus on real and practical learning. We will offer you a campus experience and learning environment that suits your learning needs and preferred style to learn.

We value previous learning and life experiences, and our dedicated teachers will work with you to build on your strengths so you can have the future career you want.

Earn your TCE, get nationally recognised qualifications or take an alternative pathway to university - you can do it all at the Tasmanian Polytechnic.

As a student of the Polytechnic, you will receive learning and career support whilst undertaking skills development - we are here to help.

Our focus is on you as a student, being connected to what employees want and delivering innovative and better ways to learn, do and experience the real work environment.

Come and join us. We are sure you will find something you love.

What are the types of fees you pay at Tasmanian Polytechnic?

The fee you pay at the Tasmanian Polytechnic will depend on the course of study you choose. However, total fees for 2013 will not exceed $300 for concession and $1090 for a full calendar year.

If you are eligible for a concession fee you must produce relevant documents from Centrelink at the time of enrolment.

These fees cover basic materials needed in most subjects and programs, but additional expenses may be payable for other materials in some courses.

Upfront payment of fees at the time of enrolment is preferred, but should an invoice be required it will be posted, with payment due within 30 days.

Arrangements to pay by instalments can be organised where necessary.

For more detailed information, contact Student Services at 1300-655-307.

Tasmanian Polytechnic Student Financial Hardship

Students studying at the Tasmanian Polytechnic are able to make an application to the Financial Hardship Fund. The fund is aimed at supporting learners who are facing significant financial hardship. Funds will be made available to eligible students for specific identified course related items only. It
Child Care Subsidy

A subsidy is available for students who have children in care while they are in class. To be eligible your child/children must attend a registered child care centre or participate in the Family Day Care program. Contact the Service Centre for more information.

Travel Assistance

This allowance may be available to students who are studying full time and must travel daily more than 40km from their usual home in Tasmania. This assistance does not include reimbursement for petrol expenses or weekend bus travel.

Metro bus concessions (10 trip or monthly cards) are available from authorised outlets for Polytechnic Tasmania students.
