VET Leaders Lunch

**Future Scenarios for VET**

Our VET Leaders Lunch series targets new and emerging trends and issues in the tertiary education market. For our inaugural lunch in Sydney, the VET Development Centre is pleased to welcome Robin Shreeve, CEO, Australian Workforce and Productivity Agency as the guest speaker.

Over a delicious two-course meal, Robin will discuss the Agency’s work on future scenarios for the Australian workforce and how these might impact on the VET sector and on providers. A facilitated discussion will follow Robin’s presentation and the opportunity to network and debate the topic with a range of VET professionals.

*The presentation promises to be most informative in light of the reforms to the sector currently underway nationally.*

**Lunch includes:**
- Canapés & drinks on arrival
- 2 course meal at the beautiful Sheraton on the Park

**What past participants say of the VET Development Centre’s VET Leaders Lunch:**
