West Coast Institute of Training

TO BE THE FIRST CHOICE OF STUDENTS AND INDUSTRY

West Coast Institute of Training is the premier large training provider in Perth’s northern suburbs. With campuses in Joondalup, Clarkson, Brighton and Wangara, you can live and train locally in first class facilities.

DIVERSE RANGE OF COURSES

Offering exceptional vocational education and skill-set training in the areas of commerce and technology; health, education and social sciences; hospitality and tourism; and trades, West Coast is a truly diverse learning environment.

INDIVIDUALLY-TAILORED LEARNING

At West Coast we value personal service. Our smaller class sizes ensure each of our students get one-on-one attention from their lecturers to really maximise their learning potential. West Coast students are part of a tight-knit, caring community.

The Institute also prizes flexibility. You can choose to study our nationally accredited courses face-to-face, full time, part time, off campus or maybe even in your own workplace.

INNOVATIVE TRAINING TO MEET INDUSTRY DEMANDS

West Coast is a hub for some of the greatest industry minds and our staff are always striving to find innovative new ways to deliver training. All of our courses are guided by current and emerging industry requirements, ensuring that our graduates are able to tackle on-the-job challenges from day one.

The Institute has also developed five Academies of Excellence in areas of particular importance to the State’s workforce development.
BUILDING WORKFORCE CAPACITY

West Coast is passionate that people continue to train after they enter the workforce – it is good for them individually and it’s important for increasing productivity in their workplace. The Institute has a dedicated team that works with businesses to address their specific staff-training requirements.

OUR VISION

To be the first choice of students and industry.

OUR ROLE

Through industry and community partnerships, West Coast Institute of Training will provide world class training for:

- Sustainable employment
- Workforce Development
- Achieving personal aspirations

OUR GOALS

- Enhance our customers’ experience
- Ensure our operations are sustainable
- Address the skills requirements of individuals and industry.

OUR VALUES

Ethics - We will behave in a manner that demonstrates respect for one another and display honesty, fairness and integrity in all that we do.

Accountability - We are responsible for our own actions. We will demonstrate social, financial and environmental responsibility to stakeholders.

Continuous Improvement - We believe in investment in technology, resources and people and do this in order for
the Institute to evolve.

**Customer Satisfaction** - We believe in building and nurturing relationships that meet the needs and expectations of our internal and external customers

**THE WEST COAST WAY**

We have an approach to doing business that we call the West Coast Way.

We are **resourceful**. Particularly in making the most of what it is our own workplace.

We are **agile**. We ensure that learning fits around work schedules and lifestyles.

We are **partnered**. We work with you to give you and your staff what you need, when you need it.

What we will not do is compromise. In any way.
