

## **Vision**

TAFE: Australia's provider of choice in vocational education.

## **Mission**

TAFE Directors Australia exists to improve the business performance and operating environment for Members.

## **TAFE DIRECTORS AUSTRALIA**

TAFE Directors Australia Inc (TDA) is the national association of Institutes of Technical and Further Education and the TAFE divisions of multi-sector universities in Australia. It is incorporated in the ACT as an independent non-profit association.

TDA provides national leadership in promoting the role and contribution of public vocational education and training to Australian social, cultural and economic development.

TDA provides a forum for cooperation and exchange of ideas on vocational education matters, as well as a mechanism for providing effective input into national policy formulation. TDA also represents the TAFE sector on key committees and boards dealing with vocational education and training matters and consults with other sectors of education on matters of mutual interest.

Additionally, TDA undertakes research, develops relationships with other countries on vocational education and training matters, provides opportunities for the professional development of Directors and other TAFE staff, and undertakes projects of benefit to TAFE.
