

TAFE NSW is Australia's largest training provider and meets the diverse requirements of individuals, employers, communities and regions. As a dynamic, customer focused organisation with over 500,000 enrolments, TAFE NSW adds unique value to the state through specialist learning environments, responsiveness to industry, extensive training capability and a network of campuses.

TAFE NSW is seeking three highly experienced senior executives to lead the management of vocational education and training in NSW.

An attractive remuneration package and contract of up to five years will be negotiated for each position. Applications close 15 August 2008.

General Manager, TAFE NSW Training & Education Support (Sydney) **(Reference number: SES800)**

You will provide leadership to support quality and consistency in the delivery of vocational education and training programs by Institutes across TAFE NSW. You will have responsibility for the maintenance of key high level relationships with national bodies and major vocational education and training stakeholders and will ensure state-wide support for social inclusion policies and strategic workforce initiatives.

You will demonstrate highly developed knowledge and understanding of key vocational education and training and community education issues at a state, national and international level. With extensive experience in leading planning and operations for the delivery of vocational education products and services you will have a proven ability to shape the strategic thinking of an organisation. Your experience in a complex and diverse service organisation will have provided you with a record of achievement in the development of innovative and dynamic workforce planning strategies, educational development plans and practices.

General Manager, TAFE NSW Customer Support (Sydney) **(Reference number: SES801)**

You will provide a state wide service and advisory support role to TAFE NSW Institutes for delivery of student systems and operations, business and learning systems, customer information, marketing and knowledge management services and library services.

You have proven ability and experience in leading a large and diverse organisational function and structure with knowledge of business and learning systems, student administration operations, and communication and information systems. With a successful record of implementing marketing and information programs you will demonstrate highly developed strategic analysis, research, planning and advisory skills, and significant skills in the management of organisational and cultural change.

Director TAFE NSW, New England Institute (Tamworth) **(Reference number: 127807)**

You will lead the functions, staff and resources of the Institute to deliver vocational education and training that meets the needs of diverse customers and deliver on the Government's commitments to the education and training sector.

Your experience will demonstrate high level strategic leadership and human, financial and physical resource management skills with an excellent ability to ensure effective relationships with key internal and external stakeholders.
