supporting e-learning opportunities

ACT e-learning showcase

2 December 2008

Location: Canberra Institute of Technology, Reid Campus, Constitution Avenue, Reid, ACT

The *ACT e-learning showcase* will explore the innovative use of e-learning to deliver education and training. Join us to hear, see and learn from local registered training organisations with exciting examples of e-learning practices for learners located both in the ACT and across Australia. Further details about the showcase will be uploaded to <http://flexiblelearning.net.au/ACT>, as they become available.

E-learning 08

4 – 5 December 2008

Location: University of NSW Roundhouse, Anzac Parade, Kensington, NSW

E-learning 08 is a celebration and showcase of technology enhanced education and training practices in New South Wales. You are invited to join colleagues from across the sector to explore ways in which new and emerging technologies can support learners and improve the delivery of training. This event will feature keynote speaker Mark Pesce, researcher, teacher and futurist; and will include a launch of the inaugural Horizon.au report by Larry Johnson and Alan Levine from New Media Consortium; hands on workshops; and Kate Carruthers will lead an interactive enterprise panel. Further details about the event will be available from <http://flexiblelearning.net.au/NSW>, as they become available.

The big VET Es- e-learn. e-communicate. e-collaborate. e-innovate.

24 November 2008

Location: Brisbane Convention and Exhibition Centre, Cnr Merivale and Glenelg Streets, South Bank, QLD

The big VET Es will explore the use of technology to support and deliver education and training. The event will host international speaker Jonathan Finkelstein from LearningTimes, an online community of education and training professionals. Mr Finkelstein will discuss and demonstrate how online communities can enhance and foster workplace and industry opportunities by creating a social presence in a virtual world. Mark Harris from Southbank TAFE will present his research on the retirement intentions of an ageing VET workforce and its impact on VET organisations, while Brad Beach from Gipps TAFE Victoria will explore virtual worlds in Second Life. Further details about the event will be uploaded to <http://flexiblelearning.net.au/QLD>, as they become available.
