

UPDATE ON CONSULTATION PROCESS BEING CONDUCTED BY THE CS&H INDUSTRY SKILLS COUNCIL

Below are details of website references to information related to timelines and the consultation process for Version 3.0 of both the CHC08 Community Services and HLT07 Training Package. This draft of the Training Packages incorporates changes relating to:

- [Amendments to packaging rules to address new requirements introduced by the National Quality Council \(NQC\)](https://www.cshisc.com.au/index.php?option=com_content&task=view&id=525&Itemid=162&limit=1&limitstart=2)
(https://www.cshisc.com.au/index.php?option=com_content&task=view&id=525&Itemid=162&limit=1&limitstart=2)
- Updating of imported units
- [Embedding skills for sustainability](https://www.cshisc.com.au/index.php?option=com_content&task=view&id=542&Itemid=162)
(https://www.cshisc.com.au/index.php?option=com_content&task=view&id=542&Itemid=162)
- Actioning stakeholder feedback received via Continuous Improvement

These changes will affect the majority of qualifications across the Training Packages. Industry feedback and advice is essential for the ISC to ensure the integrity of qualifications is maintained while implementing these changes.

As feedback must be received by COB Friday 10 September, your immediate action is requested. Visit the ISC's website to learn more about the changes and have your say on the [CHC08 Community Services](https://www.cshisc.com.au/index.php?option=com_content&task=view&id=60&Itemid=152)
(https://www.cshisc.com.au/index.php?option=com_content&task=view&id=60&Itemid=152) or [HLT07 Health Training Package](https://www.cshisc.com.au/index.php?option=com_content&task=view&id=71&Itemid=153)
