

TDA - VET Outbound Mobility Forum: Informing a Toolkit of Resources

AEI is hosting a free forum on outbound mobility in the vocational education and training (VET) sector in Melbourne at the Melbourne Cricket Ground on Thursday 6 May 2010.

Anyone with an interest in learning more and sharing their institutions experience in outbound mobility in VET is invited to attend the workshop.

The workshop is a key activity in a broader project to develop a set of resources, templates, tools and case studies that support Registered Training Organisations (RTOs) to engage in and/or improve outbound mobility in their organisations.

Participants will have the opportunity to share their experience and knowledge and learn from others in the sector. The workshop program will be highly interactive, with participants asked to do a small amount of preparation prior to the event to ensure the most productive outcomes are achieved.

The examples and input provided by participants on the day will directly inform the development of the toolkit of resources. These resources would be available free to all Australian RTOs and any other interested parties on CD Rom.

A full agenda will be available shortly, however the event details are:

Date: Thursday 6 May 2010

Venue: The Yarra Park Room, Melbourne Cricket Ground, Melbourne

Time: 8.45am – 5pm (Cocktail Reception 5.30pm – 6.30pm)

Cost: Free

AEI is also inviting nominations for a Steering Committee that will guide the development of the resources following the forum. Those interested in nominating for the Steering Committee should see further information on the DEEWR website http://www.endeavour.deewr.gov.au/outbound_mobility/.

To register for the forum complete the form at http://www.endeavour.deewr.gov.au/outbound_mobility/.
