

Case Study: Good Practice in VET Outbound Mobility

Program/Initiative Title	
Industry sector/s	
Auspicing RTO	
Country	
Contact person	Position
Contact email	Phone

Background	How and why was the program conceived?
Program objectives	What did the program set out to achieve?
Student Cohort	How many students were involved? What was their background?
Program implementation	What strategies did you use to implement the program? What was the timeline for implementation and key milestones?
Program support	Who assisted to implement the program and what role did they play and why? Include internal and external stakeholders.
Resource considerations	What were the financial and human costs associated with the program and how were these resourced?
Measuring outcomes	How did you plan to measure the success of the program? How did you ultimately measure the outcomes? Explain any differences between the planned and actual.
Program outcomes	What were the program outcomes and achievements? Note any anecdotal evidence that may will help 'humanise' the outcomes.
Lessons learnt / challenges overcome	What were the challenges faced and what lessons can you share that may help others address these if they arise?
Future activities for sustainability	What plans do you have to ensure the program is sustainable in your organisation?
Quote from program champion	Please provide quotes from key people involved in the program – these may focus on the people, process , outcomes, etc.
Quote from program partner	
Quote from student participant
